Baruch atah Adonai ha-ma-a-riv aravim

Praised be our God, Ruler of the universe, whose word brings on evening, whose wisdom opens heaven's gates, whose understanding makes the ages pass and the seasons alternate, and whose will controls the stars as they travel through the skies. You are Creator of day and night, rolling light away from darkness, and darkness from light. You cause day to pass and bring on the night, separating day from night. You command the hosts of heaven! May the living and eternal God rule us always, to the end of time! We praise You, Eternal One, whose word makes evening fall.
