Praised be the Eternal God, Ruler of the universe, who forms light and creates darkness, who makes peace and creates all. Your goodness renews the work of creation daily. How manifold are Your works, O God! In wisdom you have made them all. The

heavens declare Your glory. The earth reveals Your creative power. You form light and darkness, bring harmony into nature, and peace to the human heart. Praised are You, O God, the Creator of Light.

Note: Chorus and Bridge can be sung in a round.
